مدارس ميسك
Misk Schools

Summer in Switzerland

★ This offering allows for students to board for the full 2 weeks.

★ Participants will enjoy an ample array of outdoor activities as well as group games and team-building in the evenings. Misk Schools attendees will participate as part of the overall Leysin Summer Program with other international participants. A unique aspect of this offering is that during the week, for 3-hours each day, Misk Schools students will participate in activities designed and run by Misk Schools staff exclusively.

★ Your child will explore the following:

1. Legendary Adventures
2. Superstars in History
3. The Magic of the Mountains
4. The STEAM Machine
5. The Crime Lab
6. Climate Changers & Great Escapes
7. Crazy Constructions
8. Drone School
9. Inventions That Changed the World

LEYSIN
JUNE 29- JULY 10

Summer in Switzerland Itinerary

☆ Academic Program

1. **Legendary Adventures:** Learn about famous adventurers and explorers on land, water, and air.
2. **Superstars in History:** Examine famous people, events, and inventions that changed history
3. **The Magic of the Mountains:** Investigate the science behind mountains and learn how you can protect them.
4. **The STEAM Machine:** Become a master scientist as you build a project using STEAM subjects.
5. **The Crime Lab:** Become a forensic scientist and help to solve simulated crimes in our lab.
6. **Climate Changers:** Develop a solution for an environmental problem or opportunity of your choice.
7. **Crazy Constructions:** Examine the science, architecture, and history behind the world's most unique skylines.
8. **Inventions That Changed the World:** Research important inventions and examine how they shaped history.

9. **Legendary Expeditions:** Investigate famous adventures and explorers, and the science behind their expeditions.
10. **Drone School:** Learn about drone technology, including mechanics, coding, mapping, and simulations.
11. **Great Escapes:** Explore the greatest escapes in history and use what you learn to create an escape room.
12. **Art:** Make pieces of art using 2D methods or design 3D creations using clay and other mediums.
13. **Cooking & Baking:** Discover the joys of creating tasty treats.
14. **Hip Hop Dance:** Learn fluidity and movement inspired by urban culture and 'street dance.'

Summer in Switzerland Itinerary

★ Evening Events

Evening socials emphasize family-style interaction. All students are assigned to a Staff Family, which is led by staff “parents.” Every evening students enjoy family activities, dorm events, or programmed social events. Typical evening events may include:

1. Family Night
2. Karaoke Night
3. Talent Shows
4. Monte Carlo Night
5. International Night
6. Dance Night
7. Sports Competitions
8. Quiz Night
9. Treasure Hunt

★ Themed Afternoons

Themed Afternoons are dedicated to more challenging activities. Students get the opportunity to test their skills in a wide range of dynamic activities such as parapenting, white water rafting, climbing, mountain biking, windsurfing, dirt scooting, high rope course climbing, and paddle-boarding.
